

Signature Resolution Welcomes Anne M. Lawlor Goyette to Panel of Neutrals

Goyette brings over two decades of experience in mediating and arbitrating complex civil disputes

SILICON VALLEY, Calif. (Sept. 18, 2024) - [Signature Resolution](#), a leader in alternative dispute resolution, announces the addition of Anne M. Lawlor Goyette to its panel of neutrals. With a focus on complex civil disputes, including construction, real estate, insurance and medical product liability, Goyette brings a proven track record of success as a mediator, special master, referee and arbitrator.

"Signature Resolution is a driving force in the mediation industry and I knew I wanted to be part of their panel," said Goyette. "After years of running my own firm, I was ready to focus on my neutral work. Signature offers the whole package - a talented team, unparalleled operations and a commitment to excellence that aligns with my business philosophy. I look forward to contributing to Signature Resolution's mission of delivering high-quality dispute resolution services."

Goyette's dispute resolution approach is distinguished by early engagement. She collaborates with all counsel from the outset to establish clear goals, streamline data collection and simplify problem solving. Before mediation sessions, Goyette conducts individual strategic conferences, clarifying objectives, tackling potential obstacles and identifying key resources to advance productive negotiations. Even if mediation does not yield an agreement, Goyette remains dedicated to pursuing and advancing additional resolution opportunities. Since 1998, Goyette has employed this proactive approach to successfully manage and resolve thousands of disputes as a full time mediator, special master, referee and arbitrator.

"We are thrilled to welcome Anne Lawlor Goyette to Signature Resolution as a distinguished mediator, special master, referee, and arbitrator, with over 25 years of dedicated experience as a full-time ADR professional," said Dario Higuchi, founding partner and managing member of Signature Resolution. "As we continue to expand our presence in Northern California, Anne's extensive experience speaks volumes about the caliber of expertise she brings, which will be an invaluable asset in advancing our panel and serving our clients with exceptional skill and insight."

Goyette's legal career began at Bronson, Bronson & McKinnon with a focus primarily on construction, engineering, real estate and related matters. A decade later, she joined the leading special master in California construction defect litigation in Palo Alto and became a fulltime neutral. Goyette founded Griffiths • Goyette and led the firm for twenty years. Her passion for alternative dispute resolution stems from her desire to empower parties to resolve their own disputes, minimizing risks and optimizing outcomes through negotiated agreements or streamlined litigation. Recognized as a Super Lawyer® in Alternative Dispute Resolution and holding a Martindale Hubbell Top Rated Lawyer-AV Preeminent™ rating, Goyette is a highly respected figure in the ADR community. She also is a California Charter Member of the National Academy of Distinguished Neutrals, underscoring her commitment to excellence in dispute resolution.
