

Signature Resolution Welcomes Nolan Armstrong to Panel of Neutrals

With 20 years of litigation experience, Armstrong brings extensive civil law experience to the ADR firm

OAKLAND, Calif. (October 01, 2024) - [Signature Resolution](#), a leader in alternative dispute resolution, proudly announces the addition of Nolan Armstrong to its panel of neutrals. Bringing two decades of litigation expertise and a commitment to client service, Armstrong's innovative and effective strategies will benefit clients by facilitating comprehensive and empathetic resolutions to complex disputes.

At Signature Resolution, Armstrong will serve as a mediator, enhancing the firm's ability to resolve challenging disputes effectively. His mediation philosophy is rooted in the same principles that guided his successful defense career: clear communication, trustworthiness and a respectful demeanor.

"I am excited to leverage my litigation background and innovative dispute resolution strategies in my new role at Signature Resolution. My experience handling complex cases, from class actions to personal injury, has honed my skills in navigating intricate disputes with a focus on empathy, clear communication and a collaborative approach. I am committed to fostering an environment of trust and constructive dialogue, ensuring that all parties feel heard and respected throughout the resolution process."

Before his role at Signature Resolution, Armstrong was a partner at McNamara, Ambacher, Wheeler, Hirsig & Gray, LLP in Pleasant Hill, CA. He oversaw a spectrum of civil litigation matters in both State and Federal courts, including personal injury and real property defense, landlord-tenant litigation, employment defense, professional negligence and the defense of public entities in various tort claims. A highlight of his career was leading the defense in a class action suit against a publicly-traded real estate investment trust, which faced allegations of nationwide breaches of the Americans with Disabilities Act.

"We are thrilled to welcome Nolan Armstrong to the Signature Resolution team," said Dario Higuchi, Signature Resolution founding partner and managing member. "Nolan's extensive trial and arbitration experience, combined with his empathetic and personable nature, make him an exceptional addition to our firm. His reputation as an effective advocate aligns perfectly with our commitment to achieving meaningful and fair resolutions for our clients."

Armstrong earned his Juris Doctorate with honors from The George Washington University Law School in 2005, where he was recognized as a Thurgood Marshall Scholar. Throughout his career, he has been actively involved with the Association of Defense Counsel of Northern California and Nevada (ADCNCN), serving as its President in 2023 and as a member of its Board of Directors since 2014. His other professional memberships include the Association of Southern California Defense Counsel and the Contra Costa County Bar Association. He also serves on the Board of Trustees of the Contra Costa County Public Law Library.
